

# For dentists who want the freedom

to choose their scanner and be rewarded for it!

## What can Precision offer your practice?

We at Precision are driven by a passion to deliver a customised crown, bridge or implant that looks as natural as possible for your patients.

Our locally based technicians work in a consultative manner with you to ensure we achieve the results you and your patients require. To deliver on our promise we use a mix of traditional crown and bridge methods plus the latest CAD/CAM and pressing technologies.

We believe that quality and value comes from the right technology in the hands of the right people.

## Choose. Your Scanner.

Intraoral scanners for digital impressions are increasingly becoming the standard of care.

To support dentists who are looking to embrace a digital pathway, we have created a digital cash rebate\* which rewards you each time you submit a digital scan.

## JOIN. WITH EASE.

It's easy to enrol and start earning towards a monthly rebate credited to your account.

Sign up to the Precision Digital Cash Rebate\* online at [precisiondental.co.nz/digital](http://precisiondental.co.nz/digital)

Send us a minimum of five digital cases per month to be eligible for your cash rebate\*.

Start using your rewards for more digital case submissions!

## More. Means More.

### Earn with Each Scan.

Send at least five digital case files through to us and begin clocking up rebate dollars\* to enjoy at the end of each month, credited direct to your account. After your fifth digital case, any of your digital or traditional cases will add to your monthly spend. Conditions apply, please refer to our terms and conditions section.

### Save with each Case.

Not only will your rewards build for each time you submit a scan, but you will also enjoy no courier charges either direction. Allowing you to spend the money where and when you need it.

### Access each Opportunity.

We believe that ongoing professional education for all skill levels is invaluable. As a member of our Digital Cash Rebate\*, we will secure your spot, so you can access our high quality educational workshops and resources that improve your knowledge of the best and most innovative modern dental practices.
